The Clerk called the roll.

TABLED ITEM

3. Ordinance:

“Amending Sections 33.024, 33.025 & 33.026 (Solid Waste Compliance Officer) of the Code of Ordinances of the City of Manchester.”
(Tabled 11/22/2005)

On motion of Alderman Lopez, duly seconded by Alderman Garrity, it was voted to remove Item 3 from the table for discussion.

Chairman Duval stated I want to thank you for your indulgence and being here for this meeting that was relatively called impromptu. You have in front of you a memo regarding a report from the Special Committee on Solid Waste Activities and they've asked for us to consider additional and further discussion with regard to the creation of a position...Solid Waste Compliance Officer. Members of the Committee this position, I understand, had undergone pretty extensive scrutiny during the last administration and I know at probably the first Bills on Second Reading Committee meeting that we had, the first one in 2006 we had chatted briefly about taking it off the table and thought we should wait until the Board was into the budget process. While we sort of neck deep in the budget process now I think it's important that the Committee move this to the Finance Committee where the discussion relative to this position can be discussed before the full Finance Committee and allowing the Committee members of the full Board to debate it thoroughly and determine whether we're going to move forward with it in the 2007 budget. With that I would ask for a motion to recommend the ordinance ought to pass and move to the Finance Committee for further discussion and possible implementation.

On motion of Alderman Lopez, duly seconded by Alderman Garrity it was voted that the ordinance ought to pass and refer to the Committee on Finance for FY2007 budget deliberations.

There being no further business to come before the Committee, on motion of Alderman Garrity, duly seconded by Alderman Lopez, it was voted to adjourn.

A True Record. Attest.

Clerk of Committee
